

HEROES FREEDOM WEEKEND

SEPTEMBER 27-OCTOBER 1, 2018 - NEW YORK CITY

Heroes Freedom Weekend was created by a group of our veteran staff members. They believed that through this journey, together, we can provide healing, comrade, emotional support and increase the lines of communication between spouses. Many of our nation's heroes volunteered for war after the tragic events of September 11 2001. The heart of many American warriors can be found at ground zero, but very few of them have been afforded the opportunity to visit this sacred site in person. This is your chance to help heal our nations' disabled veterans from the global war on terror.
