### **Coalition to Salute America's Heroes Named Among '2022 Best Non-Profits To Work For'**

*Veterans group among Top 5 of 50 ranked organizations in national survey*

LEESBURG, Va. (April 5, 2022) – The [Coalition to Salute America's Heroes](#) (Coalition), a leading not-for-profit organization dedicated to rebuilding the lives of severely wounded veterans of the global War on Terror, has been selected as one of the 2022 Best Non-Profits to Work For. *The NonProfit Times*, the leading national business publication for nonprofit managers, has partnered with Best Companies Group to identify nonprofit organizations where leaders have excelled in creating quality workplaces.

The Coalition ranked 5<sup>th</sup> overall among the 50 organizations to make the prestigious list, and was the top-ranked veterans-service organization.

“What an honor to earn this recognition, and especially to be among the Top 5 non-profits in the entire nation!” said David Walker, President & CEO of the Coalition to Salute America's Heroes. “This is a genuine tribute to the character, ethics and performance of our entire team, whose commitment to wounded veterans and their caregivers is second-to-none.”

The survey and awards program are designed to identify, recognize and honor the best employers in the nonprofit industry, benefiting the industry's economy, workforce and businesses. To be considered for participation, organizations had to fulfill several eligibility requirements, including 501(c)(3) status and having a minimum of 15 U.S. employees.

Nonprofits from across the United States entered the two-part survey process to determine *Best Nonprofits to Work For*. The first part – roughly 25% of the total evaluation – consisted of evaluating each nominated organization's workplace policies, practices, philosophy, systems and demographics.

The second part (75% of the total evaluation) consisted of an employee survey to measure the employee experience. The combined scores determined the top nonprofits and the final ranking. Best Companies Group managed the overall registration and survey process, analyzed the data and determined the ranking.

**About the Coalition to Salute America's Heroes**

Since its establishment in 2004, the Coalition to Salute America's Heroes has provided an immediate, invaluable lifeline to thousands of America's combat-wounded veterans. The Leesburg, VA-based organization is distinguished from other veteran-focused groups by its direct financial assistance to America's wounded heroes. Its Emergency Financial Aid program has stopped foreclosure proceedings on veterans' homes and kept their vehicles from being repossessed. Its innovative Heroes Thanking Heroes program provides transitional, part-time, flexible employment to nearly 50 combat-wounded veterans or their primary caregivers, enabling them to make phone calls from their homes, usually to personally thank donors for their contributions to the Coalition.

For more information on the Coalition, and to learn how you can support its mission, visit [saluteheroes.org](http://saluteheroes.org). Combat-wounded/disabled OIF/OEF/OND veterans are invited to join the Coalition and expand their camaraderie network by enrolling in the Veteran Circle program at [saluteheroes-vetcircle.org](http://saluteheroes-vetcircle.org).
